givejedahand #CAMH CEO Catherine Zahn presents #OneBRAVEnight #OBN the #HARDON #CHALLENGE - How BRAVE?! Ask Doctor GOLDBLOOM! #WhiteSquirrelWay #whitesquirrel #QueenWest #Parkdale #Toronto #rcnocrop. #sunriseselfie

givejedahand CAMH fundraising is an elitist clownshow at which "the mentally ill" are unwelcome and to which we generally aren't invited anyway. I'm not saying I woud go even if I were. The fundraisers are stupid - so misleading and obnoxious - that they raise a lot of doubt whether collectively the institution has any insight at all. The language of the campaigns is consistently juvenile - especially the bromides of CEO Zahn - for which she incredibly was awarded some prize albeit by an outfit nobody has heard of. The current fundraiser is typical if not worse, premised on someone's chance encounter with an apocryphal "mentally ill person" presented in condescending terms reserved till recently for lepers. Catherine Zahn is the figurehead and mouthpiece for all this greedy pernicious and insulting nonsense, so I am asking her to go and take her orders and prizes and media-constructed ilk with her. Maybe then we'll be able to see what's left of CAMH besides SCAMH - if there's anything at all after all their waste and bloat.
